

The Family Court Picture Book

(Your novice picture guide)

Here come da judge. He's every bit as fair and with high moral values as he looks and he wears a long black dress to work everyday (so obviously he's a little strange). Be careful, he bites.

Then we have the supporting cast:

Your soon to be EX
ready for her turn at
the trough

And her attorney who
the local feminists
recommended

And you who finances
this legal farce

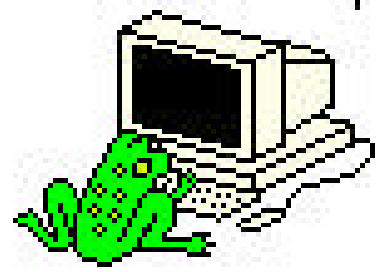

And your killer attorney
(who is friends with
everybody)

To keep order (and legal scholars from laughing out
loud) we have:

The Bailiff

And lets not forget about the Court Reporter to take the whole thing down as accurately as possible (considering the many distractions and the judges easily hurt feelings if she puts down something that will get him reversed on appeal).

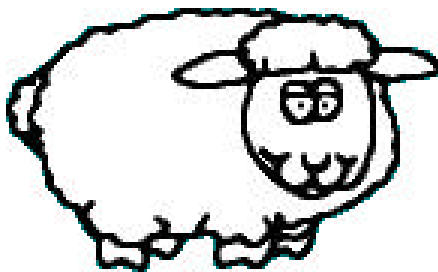

The court reporter

The whole process results in a ROYAL

ING

FOR

YOU

The innocent
victim

So the government can get your last \$ and balance its budget

Off the backs of

And don't we wish it was a joke?
