To: Yolanta M. Lewis

if you are supposed to be are lawyer why have you not spoken to use in a long time . Last time we spoke it was in the March break. This is [REDACTED] and I am also speaking on behalf of my little brother [REDACTED]. On Thursday January 29 [REDACTED] and I would strongly demand that we go to the meeting because it is our future not yours. The reason why we strongly demand is because I want to know what is going to happen in my future. [REDACTED] and I do not think that you are representing use in court that you should be because I do not think that you have did anything about my rabbit Gohan. And that is what I would like to say. If you think that we should live at my mom's then your perceptions are deeply wrong. That is not what I would like I would like to live at my dad's and go to my mom's every Thursday and every second weekend . I would like to live at my dad's because I have a lot of friends here . I have some friends at my mom's but that is what the Thursdays and every second weekend would be for. I have a choice because on January 24 it is my birthday and I will be turning 13. Not only that but on January 22 [REDACTED] will be turning 10. My mom says that my dad is making her pick use up because he is to lazy to drive use to her place. He can not drive use to her place for 2 reasons (1) because he can not go to Hamilton (2)he is a very busy person . Just to let you know I will be sending this to 3 other people one my grandma , [REDACTED] and Dr . [REDACTED]. You can fax me back at (905) [REDACTED] or you can contact me at home at (905) [REDACTED].

  
Sincerely: [REDACTED]
