Her Excellency

Ms. Adrienne Clarkson

Governor General

1 Sussex Drive

Ottawa, On K1A 0A1

Dear Ms. Clarkson,

### **Application to Dissolve Parliament**

**I write this letter to you in total frustration and exhaustion. I have just been told by the police that they will not enforce Supreme Court orders for access and disclosure. My son is missing and I can not find out where he is. The police won't help. The politicians won't help. The judges won't help. My current wife, Connie and I have spent over 10 years being tortured and terrorized by our government. They have done absolutely everything to us they possibly can. My crime? I'm a father. That's it! Just a father and step mom and that is reason enough to deny us every single right and freedom that we have under the Charter of Rights and Freedoms.**

**We have contacted every single politician in the Federal Government for help. We have contacted all of our Provincial politicians for help. We have received absolutely nothing. They are elected and paid for by the citizens of Canada and they can't even be bothered to return our**

**calls. We have made thousands of them. We are denied any access to an efficient complaint mechanism.**

**We even took our complaint to NS Provincial court and filed Crimes Against Humanity/ Violation of Charter of Rights and Freedoms against the very politicians who are torturing and terrorizing us and millions of Canadian Families.**

**The judge quashed it.**

**We are at a complete loss. We are asking for your help. You have the power to dissolve parliament. We ask you to do just that immediately. It is urgent!**

**While there is a threat of war with Iraq, The Government of Canada has been waging an undeclared and illegal war against Fathers and Families.**

**Never before have so many been harmed by so few! The politicians, the courts and the police have willfully done everything possible to destroy our families. They have succeeded. They have destroyed our family and millions of Canadian families. In addition they have made sure that we can't complain about it. We have tried relentlessly for 10 years.**

**This biased, discriminating, inefficient, corrupt and cruel regime has cost us and millions of Canadian families:**

- Our health
- Our finances
- Our family and children
  - Our life.
- Our freedom and liberty

**Please, Ms. Clarkson, dissolve parliament now. Demand immediate resolutions. All Canadian families are depending on it.**

**We would be happy to meet with you in NS to discuss this. There is so much here, we can't send you all the files. We have included a sample.**

**Sincerely,**

**Connie Brauer and Vic Harris, Father.**
