

Dear Felix

April 20, 2005

I am writing this letter to tell you that I will no longer continue to see you. We came to you for help. You haven't shown any effort to help us. We have told you over and over again that our mother is psychotic, abusive, and is the cause of our pain and suffering. You've completely ignored our claims. You say that there is no proof that our mother is the abuser. The fact that we all came to you desperate to escape our mother's violent and abusive ways is proof enough. We've told you that the only way our family can live in peace is if our mother leaves the home. You say that is impossible. It is people like you who make it impossible. You, and the counselors before you refused to stand by the truth. If you won't help us, then you are just as bad as our mother.

Sincerely
